Dear Friends and Colleagues:

With just over one year operating as Office Move Pro I am tremendously excited to be announcing our newly formed relationship with Westmount Moving/Montreal Commercial Moving in Montreal, Quebec.

Westmount Moving, Canada's Largest Agent for North American Van Lines, is deeply rooted in the Montreal community with over 70 years serving it. Westmount is positioned well to serve the corporate and commercial markets by having built strong relationships (Official Movers) with the Montreal Canadians, Montreal Alouettes and the Montreal Impact. In addition to their corporate relationships, Westmount also actively supports the Children's Wish Foundation, Share the Warmth and West Island Community Shares. They are a member of CAM and are an Accredited Business with the BBB.

Westmount will represent Office Move Pro in Montreal through the strong leadership of Joe Gagnon (President/Shareholder) and JP Richard (Project Manager). Joe, having over 15 years experience in the moving industry, places a high emphasis on building long-term relationships with his clients. He has dealt with a host of multinational corporations, dealing with volumes ranging from 5 to 200 moves per year. Prior to acquiring Westmount Moving, Joe was Partner and Vice President Sales at AMJ Campbell. He managed the sales team while achieving extraordinary success in corporate sales. A high energy and driven person, Joe has also become very involved in developing policy at the Van Line Level. He is Vice Chair of the North American Agency Council, Chair of the Marketing Committee and a member of both the Hauling and Pricing Committees. Joe is also a member of the Canadian Employee Relocation Council (CERC), was born and raised in Montreal and is fluently bilingual. JP, with 8 years in transportation and the last 4 specifically in Office Moving, has the knowhow and drive to fully satisfy client expectations from large and complicated moves to smaller or last minute ones. JP received an industrial/consumer marketing degree from the University of Alabama (2002) while on full athletic scholarship and is fluent in both French and English.

Please join me in welcoming this amazing organization into the Office Move Pro family.

Leo
